# Washington Climate Change Challenge

## Climate Advisory Team

Tuesday, June 5, 9:00 a.m. – 4:30 p.m.  
Red Lion Hotel at the Park  
Spokane, WA

---

**9:00 AM      Welcome, Introduction of New Members, and Agenda Review  
(20 minutes)**

**9:20 AM      Strategic Context of the Climate Advisory Team and the Western  
Regional Climate Action Initiative (35 minutes)**

Objective: Establish a common framework and shared expectations for the coordination of the Climate Advisory Team with regional climate activities.

- Overview and purpose of the Western Regional Climate Action Initiative, including an introduction to the elements of designing multi-sector market-based mechanisms.
- Discussion of State contributions to the Western Regional Climate Action Initiative Design, and the role of the CAT in advising the State.

**9:55 AM      Climate Change in Washington's 2007 Legislative Session  
(10 minutes)**

Objective: Provide an overview of outcomes related to climate change from Washington's 2007 Legislative Session, specifically SB 6001 and HB 1303, and discuss potential impacts on the Climate Advisory Team process.

**10:05 AM      Briefing on the Adaptation Working Groups (10 minutes)**

Objective: Provide an overview of the organization and launch of the adaptation working groups, and anticipated connections to the Climate Advisory Team.

**10:15 AM      Break (10 minutes)**

**10:25 AM      Review the draft Washington Emissions Inventory and Forecast, and  
Goals Methodology  
(20 minutes)**

Objective: Brief Climate Advisory Team members on the draft emissions inventory and forecast to ensure a common understanding of Washington's climate impacts profile.

- Review the draft Washington emissions inventory and forecast, including assumptions and methodologies.
- Discuss the goals and catalog of actions in light of the inventory and forecast.

- 10:45 AM      Highlights from the Initial TWG Meetings (10 minutes)**  
Objective: Brief Climate Advisory Team members on the outcomes and lessons learned from the first round of TWG meetings.
- 10:55 AM -      Briefings on the Technical Working Groups**  
**3:45 PM**      Objective: Update Climate Advisory Team members on Technical Working Group progress, discuss the process, and approve the catalog of actions.  
Each TWG briefing will include:
- An overview of the TWG meetings to-date.
  - Review and revision of the catalog of potential climate mitigation actions.
  - Addition of potential actions to the draft catalog of actions.
  - Approval of the draft catalog of actions.
- 10:55 AM      Agriculture Technical Working Group Briefing (45 minutes)**
- 11:40 AM      Break and Lunch Provided (30 minutes)**
- 12:10 PM      Working Lunch: Forestry Technical Working Group Briefing (45 minutes)**
- 12:55 PM      Residential, Commercial, Industrial Technical Working Group Briefing (45 minutes)**
- 1:40 PM      Break (10 minutes)**
- 1:50 PM      Energy Supply Technical Working Group Briefing (55 minutes)**
- 2:45 PM      Transportation Technical Working Group Briefing (60 minutes)**
- 3:45 PM      Next Steps (15 minutes)**  
Objective: To provide members with specific details of what will happen next.
- Discussion of the process for identifying initial priorities for TWG analysis
  - Discussion of the process for developing straw policy design proposals
  - Brief description of the next meeting topics and logistics.
- 4:00 PM      Public Comment (30 minutes)**
- 4:30 PM      Adjourn**
